Join MATS!

If your township is not listed here, you should be. Hundreds of Township Supervisors are already members of this valuable organization. Take advantage of professional support, networking opportunities and continuing education to be a more successful and effective township supervisor. As well, townships must band together through every means possible to present a united front. As a Supervisor, you should consider your participation in MATS just as important as your township's essential participation in MTA. A membership enrollment form can be found on this website. Mail it with your check today!
